

# Nikolett Muller

## JUNIOR UX/UI DESIGNER

UX/UI designer with a background in retail and hospitality and a master's degree in Information Systems. Brings a strong understanding of process optimization and user empathy to digital design, connecting research insights and data analysis with practical design decisions that enhance user satisfaction and engagement.

## PROJECTS

---

### Cassette | *Music Player Mobile App* | CareerFoundry Project

Aug 2024 - October 2024

Designed an 80s-themed mobile music player for users aged 35–55. Conducted user research and usability testing, delivering wireframes, mockups, and an interactive prototype emphasizing nostalgic aesthetics and intuitive navigation.

### FinLit | *Finance App for iOS and Android* | CareerFoundry Project

June 2024 - July 2024

Developed a financial literacy app for children and teens. Created a multi-sensory user experience with gestures and haptics, alongside detailed wireframes and prototypes.

### Vitala | *Recipe Web App* | CareerFoundry Project

Apr 2024 - May 2024

Created a responsive recipe web app with 3 breakpoints. Led the full design cycle from user research to UI design, focusing on usability and accessibility.

## WORK EXPERIENCE

---

### Retail Associate | Lidl US

February 2023 - December 2023 | Lawrenceville, NJ

Improved customer experience through direct feedback and process optimization. Trained new associates and received regional Employee of the Month recognition. Strengthened user empathy and observational skills applicable to UX research.

### Assistant Bar Manager | GyongyviraG Eszpresszo

July 2014 - December 2017 | Nagykaracsony, Hungary

Redesigned operations and event planning processes to align with a new brand strategy. Introduced marketing tools, social media management, and local partnerships, increasing the customer base by 25% within three months.

### Warehouse Associate/Supervisor | Kriszt Kft

April 2011 - June 2014 | Budapest, Hungary

Optimized logistics and workflow efficiency, contributing to overall profit growth. Trained staff and supported job rotation initiatives, fostering cross-functional collaboration.
